FOUNTAIN CITY CLASSIC

General On-Field Activation Eligibility & Competition Rules

These guidelines apply to Fountain City Classic-sponsored on-field activations unless activity-specific rules are issued. The format, scoring, attempts, and prize details may vary and will be communicated before participation.

ELIGIBILITY

- Participation is open to individuals who meet the eligibility requirements established for the specific activation.
- Participants must satisfy any age, enrollment, affiliation, identification, or other criteria communicated for the activation.
- Participants must attend Fountain City Classic Game Day, report to the designated check-in location by the stated time and be present when called to participate and receive any prize.
- All required registration, liability waiver, and media release forms must be completed before entering the field. Parent or legal guardian consent is required for participants under eighteen (18).
- Fountain City Classic reserves the right to verify eligibility and deny or discontinue participation when requirements are not met.

GENERAL COMPETITION RULES

- The specific activation, objective, field position, distance, scoring method, time limit, and number of attempts will be announced before the competition begins.
- Participants may compete only when directed by an FCC representative, referee, or designated event official.
- Event officials will determine whether an attempt is valid, completed successfully, or eligible for scoring.
- If a tie occurs, officials may use an additional attempt, adjusted distance or difficulty, or another fair tie-breaker appropriate to the activation.
- Activity-specific rules may be adjusted when necessary for safety, weather, field conditions, game operations, timing, or circumstances beyond FCC control.
- All decisions of designated event officials regarding participation, scoring, advancement, and results are final.

SAFETY

- Only authorized participants, FCC staff, referees, event officials, and approved personnel may enter the designated activation area.
- Participants must wear appropriate clothing and footwear. Officials may prohibit apparel, accessories, footwear, or equipment considered unsafe.
- Tackling, blocking, intentional physical contact, interference, horseplay, or other unsafe conduct is prohibited unless expressly required and supervised as part of the activation.
- Participants must follow all instructions from FCC staff, referees, stadium personnel, and event officials. FCC may immediately stop or disqualify a participant when conduct creates a safety concern.

PRIZES & AWARDS

- Prizes may include scholarships, gift cards, merchandise, sponsor-donated items, experiences, or other awards designated for the activation.
- Prize type, value, eligibility requirements, and distribution timing will be communicated for the specific activation.
- Prize recipients may be required to provide identification, eligibility documentation, tax information, or other information needed to process an award. Prizes are non-transferable unless otherwise approved by FCC or the sponsoring organization.

CONDUCT & DISQUALIFICATION

- Good sportsmanship and respectful conduct are required at all times.
- Unsportsmanlike, disruptive, threatening, unsafe, or inappropriate behavior may result in immediate disqualification and removal from the activation area.
- Providing false, misleading, or incomplete registration or eligibility information may result in automatic disqualification and forfeiture of any prize.
- Failure to report when called, follow event instructions, or comply with these rules may result in loss of the opportunity to participate.

Fountain City Classic reserves the right to interpret, modify, suspend, or cancel an on-field activation when necessary to protect safety, fairness, or event operations.
